

# Class Descriptions

All classes will hold a final performance on the last day of class

**Acting I:** If you want to give acting a shot, this class is for you. You will explore various acting methods and techniques. Unlock your expressive self and bring characters to life using proven procedures.

**Acting II:** Perhaps you've been in shows but have never explored technique, or you just want to hone your skills. This class is more advanced and some experience is needed. Various methods will be taught.

**Creative Dramatics:** Props, costumes, playacting, creating scenes, it's all part of this class. Children will create characters, act out stories and have fun while learning many aspects of the dramatic arts. This is a special class taking place at the Caldcleugh Multi-Cultural Arts Center.

**Mini-musical:** Take a Broadway musical and grab a song or two, some dances, and scenes to act out and learn to become a triple threat, which means you can sing, dance and act.

**Dance for the Actor:** Come learn the very basics of dance for the actor. In this class, you will learn basic tap, jazz and ballet movements and put them into short dances for a musical review at the end of the semester. Students will feel confident in auditions and performances.

**Shakespeare Rocks:** Get ready for our youth spring production of *Much Ado About Nothing* or just do it for fun. Get introduced to the most brilliant playwright of all time. Get used to the beautiful language and get introduced to Shakespeare's memorable characters.
